■ Colour scanner

Scan at high speeds of 19 opm in colour and 41 opm (42 opm for 3320) in monochrome. The scanner even supports legal size paper*1 and the standard equipped RADF (Recirculating Automatic Document Feeder)*2 boosts scanning performance even further for high volume documents.

The 489 mm wide x 452 mm deep bizhub 4020 and 389 mm wide x 472 mm deep bizhub 3320 are compact enough to be placed even on a desktop with little space.
